# Fremantle Exmouth Yacht Rally 2023 Notice of Rally

## Message from Rally Director – Mike Giles

Following the outstanding success of the 2021 event, which was also recognised by Yachting Western Australia and Australian Sailing for the most outstanding Sports Promotion Award in 2021, we are now embarking on the next event planned for Saturday 6 May, 2023.

This event was first held in 1991 and then lay dormant until it was revived in 2021 to offer long distance sailing enthusiasts a new challenge!

The Fremantle to Exmouth Rally 2023 will be an opportunity for boats and crews to journey north to warmer waters, enjoying great sailing under clear skies, with brilliant sunsets and spectacular scenery along the way. After the Rally, boats can undertake their own adventures perhaps heading beyond Exmouth to visit some of the many northern WA islands or to take a leisurely trip back south visiting world class sights including Shark Bay and the Abrolhos Islands.

For the Fremantle to Exmouth Rally 2023 we are fortunate at Fremantle Sailing Club in having a dedicated group of staff and volunteers who have come together to again produce this great event, while noting that none of this would be possible without the support our many sponsors and the Exmouth community.

Exmouth itself offers a wide range of attractions for sailors, their families and accompanying parties during their stay.

Fremantle Sailing Club is now accepting registrations for this very popular event.

For further details see the event website at <https://fsc.com.au/exmouth2023/>
