1. Only Contractors who have paid for an Annual Trades Pass will be charged contractor rates. Any other bookings under Contractors not registered for an Annual Pass will be charged at Non-Members rates or Members rates only if the client/boat owner is a Member. 2. Only vessels hanging in the slings over lunch will be charged the 'inspection fee' rate. Any vessels hanging in the slings over night will be charged a lift out/in with no hardstanding cost. This includes being charged in addition for metrage over 10m according to fees above. 3. Clean fee will be charged according to two metrage categories - vessels <15m and vessels 15+ metres. All vessels with excess build up and needing / requesting a more thorough hull clean will be verbally discussed with the Boatyard Manager and charged an additional flate rate fee.
