1. Only contractors who have paid for an Annual Trades Pass will be charged contractors rates. Any other bookings under contractors not registered for an annual pass will be charged at non-members rates or members rates only if the client/boat owner is a member.

2. Only vessels hanging in the slings over lunch will be charged the 'inspection fee' rate. Any vessel hanging in the slings over night will be charged a lift out/in with no boatyard bay cost. This includes being charged in addition for metreage over 10m according to fees above.

3. Clean fee will be charged according to metreage - vessels up to 10m, then per metre after. All vessels with excess build up and needing/requesting a more thorough hull clean will be verbally discussed with the Boatyard Manager and charged an additional flat rate fee.
